Using tutě

If you experience any difficulties or need further guidance, please don't hesitate to call 0330 330 9751; a member of the Tute Team will be more than happy to assist you.

Homè

This takes you to your home page, the page you see when you log in. The latest posts from your Tute teachers and classmates will show here (if homework is included in your lessons).

Spacès

If your lessons include homework and independent learning, this is where you'll find them! A Tute Space is where your teacher will post assignments, set homework and provide useful resources. You can submit your work here and ask for help from your teacher.

Playback

All Tute lessons are recorded. You can access the lessons by clicking here and filtering to find the one you need. It's a great revision tool, fantastic when you've missed a lesson and it's something that we can share with your teachers too. You might need to scroll to get to the point where your teacher started the lesson.

Attèndancè

Attending lessons is important for your progress. This tab allows you, and teachers, to look at your attendance data. This is captured automatically when you log in (or don't log in!) to a lesson. An email is sent to your contact if you're late and we always report any absence; it's very important for them to check that you're ok.
