3rd February 2025

Dear Parents/Carers,

National Safer Internet Day is on 11th February 2025. This year's focus is on '**Scams and Phishing - Too Good to be true – Protecting yourself and others from scams online**'. The NSPCC will be hosting a webinar for parents and carers on the 11th February from 6pm to 7pm, via Zoom. This will explore the nature of online scams and hoaxes that children and young people may experience and how to keep them safer from these online risks - I will share joining instructions with you as soon as I receive them.

I've also included a link below to the UK Safer Internet Centre which I hope you will find useful.

Finally, I've also attached posters for new evening / weekend activities for your young people in the local community.

Best Wishes
Sally Banks
