Timeline for Y11 students

January onwards:

- ⇒ Students to start completing applications for their chosen post-16 pathways
- ⇒ Invitations to interviews from post-16 providers to take place
- ⇒ Post-16 provider offers confirmed

Year 11 Post-16 pathways

We continue to support our Year 11s to explore in depth what options they have so that they can make informed decisions in terms of applications for their post-16 pathways, and start submitting applications.

Careers leads in each college who will support Y11s in their post-16 applications along with tutor teams are as follows :

Danny at Oakfield

Rob at Fernbrook

Kate M at Riverside

Apprenticeships

Year 11s Apprenticeship workshop 5th January

Year 11 students across all colleges, interested in applying for apprenticeships, attended a Teams workshop at the start of term. This will provide some background around apprenticeships, where to look, and helpful tip and hints for applications.

Below are links for apprenticeship searches as well as some upcoming apprenticeship events for students, and parents & carers.
