England Illegal Money Lending Team

1 Hour Presentation

A new report from **Fair4All Finance** suggests that more than 3 million people in the UK have borrowed from an unlicensed or unauthorised money lender (loan shark) in the last three years.

It is more important than ever we make people aware that the Illegal Money Lending Team are here to help people who might find themselves in this situation.

If you have not yet attended a session please book yourself a place on one of the seminars listed below to learn more about how you can help these people.

If you have attended one of my sessions please forward this to your colleagues so they can book on one.

If you would like to book an online session just for your organisation please don't hesitate to get in touch at Wendy.Loades@birmingham.gov.uk
