Dear Head Teacher

Safer Recruitment Check – EOTAS staff

This letter confirms that EOTAS has Safeguarding Policies in place and has undertaken the relevant safer recruitment check on all staff members who visit schools and may have unsupervised access to children.

EOTAS can confirm it complies with the recruitment processes for its staff as follows:

- Verification of identification checks
- Right to work in the UK checks
- Where applicable, relevant qualification and registrations checks
- Employment reference checks
- Enhanced DBS check is carried out including checks against the DBS Children's Barred List
- All staff have contractual obligation to inform Swindon Borough Council if they receive a reprimand, final warning, caution or conviction by the Police or Courts whilst employed with Swindon Borough Council

All staff are, of course, required to provide proof of identity when they visit your school.

Yours Sincerely

Juliette Baldwin
